

## OBJECTIVE

My long-term goal is to become an Architect skilled in land-use planning and design of many building types while thoughtfully honing my design, drawing, and communicative skills.

## EXPERIENCE

### Architecture Internship | Spring 2013-Present

*Medici Architects:*

*Feasibility, Zoning Review, Design, Project Management, Construction Documents, Permitting*

*Custom & spec single-family residences, townhomes, ADUs | Seattle, Kirkland, Bellevue, and King County*

*Land Use Management*

*Short plats, Multifamily Design Review | Kirkland, Seattle, Duvall, Bellevue*

### Architecture Internship | Eugene, Oregon | Summer 2009

*Architectural Associates:*

*Code review & design for multi-family apartment tower, private residence study model*

*\*Marston Morgan, AIA | Principal | (541) 484-5757 | mmorgan@archasso.com*

### Architecture Internship | Eugene, Oregon | Summer 2009

*Nagao/Hansen Architects:*

*Visited job sites and observed meetings with clients' representatives and contractors*

*Completed and reviewed designs, drawings, beam sizing, and code review as assigned by office supervisors*

*\*Ken Nagao, AIA | Principal | (541) 867-9600 | ken@nagaopacific.com*

## MEDIA SOFTWARE

Revit, AutoCAD, Sketchup, Adobe Creative Suite, Microsoft Office

## UNIVERSITY OF OREGON

Design Intelligence national ranking: 1<sup>st</sup> sustainable design practices 5<sup>th</sup> principles & analysis and planning 7<sup>th</sup> undergraduate program

### Bachelor of Architecture | Five-year NAAB-accredited program

Completed August, 2011

### Business Administration Minor | Accounting, Economics and Competitive Analysis, Management, Marketing, Finance

GPA: 3.55

### American Institute of Architecture Students University of Oregon

*Western-Quad Conference: Summit on Civic Engagement | New School of Architecture, San Diego | 2010*

*Mentorship Program | 2010 & 2011*

*Mentored junior students for design critiques and project advice*

*Trivia Fundraiser Game-Design Committee | 2010 & 2011*

*Fundraising T-shirt Design Competition, winning entry | 2011*

### Terminal Studios U.B.C. Integrated Planning and Design Facility | Oregon, Winter/Spring 2011

*Actual project by Feilden Clegg Bradley Architects, SHAPE Architecture, PWL Partnership*

*Observed and compared the professionals' design process to my own while working on the same project*

*\*John Rowell, AIA | Principal, Rowell-Brokaw Architects | Professor of Architecture, Oregon | john@rowellbrokaw.com*

### Architecture and Urban Design Study Abroad Program | UO & Emily Carr University of Art + Design

*Vancouver, B.C. | Spring 2010*

*Collaborative urban design charrette for Granville Island: Met with Granville Island planners and architects*

*Produced future master plan document with priority sites for redevelopment.*

*Design Studio:*

*Mixed-use cinema building following charrette master plan design intentions*

*Kinetic Architecture Studio: Designed moving roof/sculpture in collaboration with an Industrial Design student*

*\*Stephen Duff | Program Coordinator | Professor of Architecture, Oregon | sduff@uoregon.edu*

### Post Occupancy Evaluation for Berkeley Presbyterian Church under Mark Gillem, AIA, AICP | Fall 2009

*Post Occupancy Evaluation on facility use and user perceptions of addition and new construction and redevelopment of a church campus, including user-satisfaction surveys, interviews, and observation of use*

*\*Mark Gillem | Principal, The Urban Collaborative | Professor of Architecture, Oregon | mark@uoregon.edu*

## HIGH SCHOOL

### Culminating Project on Architectural Design | Pullman High School | 2005-2006

*Designed live/work art gallery design project for site at town entrance to Pullman, Washington*

*\*Taiji Miyasaka | Project Mentor | Associate Professor of Architecture, Washington State University | tmiyasaka@acm.wsu.edu*

### Summer Exploration of Architecture program | University of Southern California | 2005 | Finished in top 10%

*Immersion in architecture through individual and collaborative design projects, lectures, and architecture tours*

## TRAVEL

### International Travel

*Exploration of cities and landscapes in North America, The Philippines, Netherlands, France, Sweden, Poland, Germany, Belgium, Singapore, China, Canada, and Mexico*
